

Dream Warning, I Will Kill You!
[Morning Of December 22, 2012 6:00am During Sleep]

Ezekiel 33:5 He heard the sound of the trumpet, and took not warning; his blood shall be upon him. But he that taketh warning shall deliver his soul.

The dream started off with me drinking this Marijuana resin drink, I was drinking with Mike Mitchell and talking. Mike Mitchell is a Mormon and Mormonism is Satanism. However I am not calling Mike Mitchell a Satanist. I'm just saying That Mormonism is an abomination made up from the devil. You can read all about it on this website on the button named, "**Mormons**" at the very bottom of the buttons. You can also check out **Mormonism Exposed**. Mike Mitchell took me to a party during my high school days and that was the day I first tried Marijuana. However, It is not Mike Mitchell's fault that I got addicted to drugs, It is all my fault because had Mike Mitchell not even been there I still would have went to a party and did drugs regardless. I do not blame anyone but myself and had I not even known Mike Mitchell I would have done drugs regardless.

I got addicted to Marijuana bad and then I found a supplier and it was on. I was freely able to get weed at school from Big John and he would hook me up. The high school that I went to was Hanks High School and I stayed high all through the 4 years. I graduated half a year late through summer school but I still graduated. I finally passed the math portion of the TAAS test with exactly a 70% and that was amazing.

I had to smoke every day or I was a mean mad man. I even got busted with Marijuana and through my probation I would take water pills to pass my drug tests and as soon as I passed my urine analysis I was back smoking. I had to take a drug test every Wednesday for 5 months and after I had flushed my system with water pills I would smoke again.

Then, when Wednesday would come I would take water pills with no food what so-ever, take my drug test and after the test I would smoke again. I repeated this over and over until the 5 months ended. I messed up all my organs and insides having to take these water pills all the time. I took water pills once a week for 5 months just so I could keep

smoking Marijuana. Nothing was going to stop me from smoking Marijuana because it was my "**Weed God.**"

I smoked Marijuana from age 18 to 36 and I am 38 right now. I did not care about anything other than getting high and if you were cool with it, cool, and if you were not cool with it, too bad for you. I had to have weed and if it ran out and the supplier was out I would be very angry and my friend that was an alcoholic said, "Chris, if you run out of weed just let me know so I can stay away from you because you are a jerk when you don't have weed."

This was the beginning of my drug days and now I see that if I ever go back to that life the Lord will kill me spiritually. No salvation for me if I ever go back to drugs. Now, in my new life that God gave me I am getting re-gened in Jesus through obedience so I have to hang out with people that are in the same spirit as me.

2 Corinthians 6:14 Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?

Continuing on with the dream, I did not notice that I was drinking this intoxicant and finally realized it and said, "No, I am a Nazarite and I'm not supposed to drink or smoke." It is the Nazarite vow that I took with God. So I end up spilling my drink and spilled Mike's too. He said, "Watch out man," and grabbed his cup and continued drinking because he still had drink in his cup. I put the drink down because I have conviction from the Holy Spirit and Mike Mitchell does not. I put the drink down because I had to quit because God told me no more drugs and alcohol. Once you keep walking with Christ He can make rules that you must follow and one of them for me was to never do drugs or drink alcohol again. If you disobey God He can eventually shut the door on you so be careful.

I could feel the buzz and then the dream totally switched to me working next to a work truck and there was Marijuana on the seat and I was trying to wipe the weed off the seat and my dad came walking up to the truck and he saw me wiping the weed off the seat and he pulled the door open and caught me and said, "I thought we went through this, that you were done with the weed, I was going to give you everything but now I am not giving you anything!"

Then I was in someone's garage and the Lord Jesus Christ said, "If you ever drink or smoke weed again I WILL KILL YOU!" I know this is a spiritual death not a physical death meaning no salvation for me. Don't bother repenting if you drink or smoke because you will be spiritually dead and I will never forgive you thus saith the Lord Jesus Christ.

What I have learned from this is that the Lord means that I have been delivered in this area in full, totally healed and since this area of my life is totally been delivered, God in essence is saying, "I died for you once and it worked and healed you so if you go back to your sin that has been totally healed, I am not dying for you again. If you ever do that

sin again you will not ever enter into the kingdom of heaven. If you ever drink or smoke again you might as well enjoy your life good because your hell is going to be hot.”

To understand it more lets go to Hebrews 5:7-9.

Hebrews 5:7-9 Who (Jesus) in the days of his flesh, when he had offered up prayers and supplications with strong crying and tears unto him (God the Father) that was able to save him (Jesus) from death, and was heard in that he feared; Though he were a Son, yet learned he obedience by the things which he suffered; And being made perfect, he became the author of eternal salvation unto all them that obey him.

So you see Jesus the Messiah had to work out his salvation with fear and trembling and could have failed but through his perfect obedience he became the perfect sacrifice. If Jesus could not have failed than there was no test. Jesus was a flesh and blood man just like us, but without sin. Jesus is the author of salvation because of his perfect obedience he did in Heb 5:8-9. Jesus had the whole world depending on his obedience so we can do what he did and go to the cross to beat sin, but if he had failed we would all be destined for hell.

1Corinthians 15:45-49. And so it is written, The first man Adam was made a living soul; the last Adam was made a quickening spirit. Howbeit that was not first which is spiritual, but that which is natural; and afterward that which is spiritual. The first man is of the earth, earthly: the second man is the Lord from heaven. As is the earthly, such are they also that are earthly: and as is the heavenly, such are they also that are heavenly. And as we have borne the image of the earthly, we shall also bear the image of the heavenly.

The first Adam is the natural or flesh and blood body and the last Adam is the Lord from heaven who came down from heaven to give his life for the world. So the same goes with us, our first Adam is our flesh and blood body or earthly body, and our second Adam is our spirit body after we die. So if we listen to the last Adam (Jesus Christ in heaven) and are obedient with fear and trembling till the end, then our first Adam (flesh and blood body) dies we will have our second Adam (spirit body) and go be with the last Adam (Jesus Christ in heaven). Did you get that? The Lord told me to put it in that kind of terminology so I did and I love it.

Hebrews 6:4-6. For it is impossible for those who were once enlightened (delivered) and have tasted of the heavenly gift (deliverance), and were made partakers of the Holy Ghost, and have tasted the good word of God, (meat) and the powers of the world to come. If they shall fall away, to renew them (sin) again unto repentance; seeing they crucify to themselves the Son of God afresh, (crucifying Christ again) and put him to a open shame.

There it is all tied together, if you ever go back to the sin you are already delivered from, you will have a spiritual death and never enter into the kingdom of

heaven even if you repent! The Lord Jesus Christ shed his blood one time and he will not do it again. This dream is just a warning not a prediction.

Then the next day Lord had me watch a rap video and I had no idea why and they started smoking Marijuana and when the guy exhaled and blew out the smoke the Lord told me, "That is death to you," and I was like, "Wow!" Now I know why he made me watch it. It was for another warning. The Lord has warned me twice about smoking and drinking so I will never do that again. I have been delivered from that sin and I will stay delivered from it and enjoy the rest of the brain cells I have left.

Another person that Heb 5:11-14 applies to is Cruz Hernandez, the Parts Manager at Viva Nissan.

Hebrews 5:11-14 Of whom we have many things to say, and hard to be uttered, seeing ye are dull of hearing. For when for the time ye ought to be teachers, ye have need that one teach you again which be the first principles of the oracles of God; and are become such as have need of milk, and not of strong meat. For every one that useth milk is unskillful in the word of righteousness: for he is a babe. But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil.

The Lord had me speak a word to Cruz Hernandez when I used to work at Viva Nissan and the word was, "Leave Sun City Christian Center, make family devotionals church, become a King James only and tell his kids that the "**NIV is an Abomination Book**" and show them the corruption in it." The Lord had me show him "**The Attack**" tract and give him the "**NIV is an Abomination Book**" pdf file and also the print out of the 2 types of Greek Hebrew manuscripts. The correct Greek Hebrew manuscript is the Textus Receptus, which is in the King James Bible. The Alexandrian or Egyptian text is in all the "**New Age Bible Versions**" and is the corrupted and castrated Greek Hebrew manuscript that is also called the Westcott - Hort Greek New Testament. You can check all this out on this website and read "**The Attack**" tract for yourselves.

Cruz Hernandez did not believe that God Almighty told me to give him those words but He did. Cruz said, "I don't see anything wrong with the NIV and I don't believe that the Spirit of God told you to tell me all those things." Cruz said, "I haven't heard anything from the Lord about what you have said to me." God Almighty told me to tell him all those things and I gave Cruz Hernandez all the information so there was no way to deny that the NIV is garbage.

I even showed him in my NKJV the NU-Text, which states that these variations from the traditional text generally represent the Alexandrian or Egyptian type of text. There you go, more information, which he has seen but still, loves his NIV. Moses led the children of Israel out of the land of bondage, which was Egypt, so how could God love his purified Word if it was in Egyptian text? The "**New Age Bible Versions**" are in Alexandrian or Egyptian text or also known as Westcott - Hort Greek New Testament. The Lord Jesus Christ told me personally that "**New Age Bible Versions**" are

abomination books. I told that to Cruz but he does not believe that God Almighty told me all those things.

Cruz is hard to be uttered, seeing he is dull of hearing and he is the tithing preacher and a youth pastor at Sun City Christian Center and uses an Abomination book. This teacher needs one to teach him again because he is showing the kids that the NIV is okay when it is strait blasphemy to our Lord and Savior. He knows what he is doing and that makes it all the worse. Did Cruz Hernandez forget about Revelation 22:19?

Revelation 22:19 If any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book.

Out of fear of fighting with his wife Cruz does not say anything and out of fear of loosing his church he does not say anything. Cruz Hernandez is a church leader so what does that say about Cruz and his leadership of destruction? His wife runs the show and she has become his god rather than the Lord Jesus Christ. When I was working for Viva Nissan he was talking to his wife on the phone a big part of the day and all the managers said, "He's on the phone again with his wife?"

If he did not answer the phone right away she got mad and I know this because I witnessed it time and time again. She calls him many times a day and no other manager gets calls from their wife like that. I have been in Cruz's office and heard her say, "What took you so long to pick up the phone?" Cruz said, "I'm working babe." Cruz told me one time, "I can never leave my lunch box or my wife will kill me!" It was meant sarcastic but still.

Out of fear of fighting or loosing his wife and fear of loosing his church Cruz picks his circumstances over Jesus Christ and that will take him strait to hell. Cruz is back on milk because Cruz rejects the Word from God and he fears man and woman (his wife) more than the Creator of the universe, which is our Lord Jesus Christ.

The Lord made me write this and expose Cruz's sin he is trying to hide. I do not do all this out of vengeance or hate. I love Cruz and always will, he will always be my friend but being a prophet the Lord has me expose people that try to hide their sin and I have to do it with fear and trembling. I pray that Cruz puts down the NIV and teaches about the corruption in it. I pray that he does what the Lord wants.

Matthew 10:28 And fear not them which kill the body, but are not able to kill the soul: but rather fear him which is able to destroy both soul and body in hell.

Psalms 94:1 O LORD God, to whom vengeance belongeth; O God, to whom vengeance belongeth, shew thyself.

YOU CAN HAVE SALVATION, BUT ONLY ON ONE CONDITION;

That you are totally sold out to Christ, you don't have any personal rights, you no longer have any right to do anything. You will be a servant. You are in essence signing your own death warrant because Satan will hate you and try to kill you. You are gaining eternal life and citizenship in heaven. You give up your life here on earth to gain life in heaven.
