Annie remained in Panama with Felix during the very long adoption process, however, her time wasn't all totally dedicated to the family. Because it was during this time away from Bruce that Annie had an affair with "Mike"...and Felix just so happened to be the unfortunate witness. Also, during this very long and drawn out adoption process, Annie makes an unannounced and very mysterious trip from Panama to St. Thomas Island.

The decision to relocate was based on what Annie heard from God in prayer: "Move the family to Texas and don't turn back." Annie received it first and then the Lord confirmed it to Bruce. It was suggested by Annie that she and the rest of the children would follow later, after first selling the farm in SC.

03/21/95 - Marta writes Bruce a letter from Panama thanking him for his weekly letters and money. She not only talks about her love for the Lord but also goes into details that directly reflect on Annie's true character while in Panama away from Bruce. Annie is not a faithful wife to Bruce by any means. Marta also includes letters to both Hadassah and Luis. (See *Marta's Letter.*)

06/01/95 - Marta writes Bruce a letter from Panama once again reflecting on the true character of Annie. This letter includes details of Annie's returning Jasmine and Yamel to Panama. She also includes letters to Arthur, Hadassah, and Luis. (See *Marta's Letter.*)

Bruce wants very much for this to be that time when he and Annie would once again become husband and wife. He had even made preparations to renew his wedding vows with Annie, however, it wasn't Annie's intentions to become man and wife again. (Reference sermonet dated 12/07/97.)

sermonets. Somehow, I feel God is working through you for our El Paso family.

Secondly, I know the plant has been going through turmoil lately. I was wondering if you could give me some insight as to the problems, the remedies and how the team is progressing towards them. I'd appreciate your perspective if you're willing to share it. Thanks in advance. Regards, Kendrick B. Melrose"

06/18/98 - Bruce mails out reply to Mr. Ken Melrose's letter.

07/01/98 - Bruce plans on Arthur, Hadassah, and Annie meeting him at Jimmy Swaggart Ministries in Baton Rouge, LA, for four days of campmeeting service, however, at the last minute Annie decides they won't attend. 10/16/98 - FMHCCI receives Certificate of Authority from the state of Louisiana.

10/31/98 - Bruce contacts Attorney Joseph Burroughs in hopes of finalizing Arthur's adoption. However, it was only shortly thereafter that Bruce gives up hopes due to Annie's unwillingness to make it all happen.

11/26/98 - Arthur and Hadassah meet Bruce at Jimmy Swaggart Ministries in Baton Rouge, LA, for four days of campmeeting service. Annie at the last minute decides not to attend. Arthur and Hadassah both receive the Lord's Baptism in the Holy Spirit with the evidence of speaking in other tongues during this campmeeting. Family appears all together in video of JSM service.

03/25/99 - Bruce's employment with Toro terminated as a direct results of him being befriended by CEO Ken Melrose. God promises Bruce that He will get his job back at Toro if he will only continue to trust Him and obey Him with his life and ministry (see *The Big Snake Make A Strike! (3/28/99)*).

04/01/99 - Arthur and Hadassah meet Bruce at Jimmy Swaggart Ministries in Baton Rouge, LA, for four days of campmeeting service. Annie once again refuses to attend (see *Snake Bit But Still Alive In The Holy Spirit! (4/11/99)*).

06/30/99 - Arthur, Hadassah, and Bruce arrive at Jimmy Swaggart Ministries in Baton Rouge, LA, for four days of campmeeting service. Annie refuses to attend, however, she unexpectedly shows up one night and leaves the next morning. Her overnight accommodations were separate from the family's and their total time together as a family was approximately one hour. Before Bruce, Arthur, and Hadassah leave to go back to their accommodations for the night, Annie informs Bruce that the Lord had been telling her to be "submissive" and she likewise wanted to know what it all meant. It was at that time that Bruce once again explained God's plan for the woman in the marriage relationship (see *God Warns The Moses Of Toro Three Times! (7/4/99)*).

07/16/99 - Arthur, Hadassah, and Bruce start making an audio tape of their daily experiences at his apartment in El Paso, Texas. This tape gives positive proof of God's Spirit interceding with Arthur, Hadassah, and Bruce during their six (6) month adventure (5/20/99-11/14/99).

07/25/99 - Arthur's sermonet on "Dad and the Toro Company" is published. Arthur speaks strong prophetic Words from God concerning Bruce's future employment with Toro in his message. (See sermonet *No Job, No Money, But God Will Provide! (7/25/99)*.)

08/30/99 - Arthur writes letter of correction, as directed by God, to Mr. George Murrell (the man sent by God to take care of the farm and family in SC [06/00/94]). (See *The Truth About Mr. Geaoge Murrell! (3/7/04)*.)

09/07/99 - God tells Hadassah that he's instructed Annie to move to Baton Rouge and take care of them (Arthur and Hadassah) while they attend JSM Academy. (Details recorded on audio tape).

09/16/99 - God gives Hadassah vision of a coiled "coral" snake and likewise tells her that because of Annie's actions the snake was representative of her. (Details recorded on audio tape.)

09/17/99 - El Paso police pay a visit to Bruce's apartment due to a report of child neglect from Annie. Arthur, Hadassah, and Bruce are all questioned. Hadassah's vision of the snake becomes real; Annie is the snake. Arthur and Hadassah both hear from God that the trip to Baton Rouge is one week away. (Details recorded on audio tape.)

09/18/99 - God gives Hadassah another vision with two more snakes. (Details recorded on audio tape.)

09/20/99 - Annie, Carolyn (Bruce's sister), and John (Carolyn's husband) show up at Bruce's apartment, all the way from SC/NC, with the El Paso police. Later on in the day a representative from the Texas Department of Protective and Regulatory Services paid Arthur, Hadassah, and Bruce a visit. Hadassah's vision of three snakes had once again come true. The coiled "coral" snake was Annie, the "sidewinder" snake was John Hunt, and the big "fat-headed snake with fangs dripping venom and glowing red eyes" was Carolyn Hunt. (Details recorded on audio tape.)

10/05/99 - Arthur, Hadassah, and Bruce arrive at Jimmy Swaggart Ministries, Baton Rouge, LA. They remain at the JSM dormitory while awaiting Annie's help in registering Arthur and Hadassah at JSM Academy. 11/02/99 - After hearing from God, Arthur, Hadassah, and Bruce leave JSM for Loris, SC, in order to acquire much needed funds. Hadassah receives the following Word from the Lord: "I'm not going to leave you."

11/03/99 - Arthur, Hadassah, and Bruce arrive in Loris, SC. This was Bruce's first appearance in SC since 12/27/93. Very shortly after their arrival Annie requested assistance from the Horry County Sheriff's department and then tries to have Bruce committed to the Waccamaw Mental Health Center for treatment of schizophrenia. After all the confusion dies down Arthur receives the following Word from the Lord: "You are so faithful. You have passed the test. I will greatly bless you. You've been so loyal." Approximately six (6) hours after having arrived Annie agrees for Mr. Murrell to advance Bruce a loan so that Arthur, Hadassah, and Bruce can return to Baton Rouge for the children's schooling. The three then leave SC for LA.

11/04/99 - Arthur, Hadassah, and Bruce arrive in Baton Rouge, LA. Arthur receives the following Word from the Lord: "Hereafter, if you will continue to hearken unto my voice I will bring things to pass."

11/16/99 - Bruce arrives in El Paso, Texas.

11/17/99 - After receiving instructions from the Lord, and Annie's approval, Bruce initiates withdrawal of retirement savings.

12/00/99 - Annie refuses to allow development of frontage property for a trailer park.

01/02/00 - CEO of Toro (Ken Melrose) sends Bruce e-mail asking for a copy of his resume and the type of job he's looking for at Toro.

02/28/00 - CEO of Toro (Ken Melrose) sends Bruce another e-mail asking for more specifics on the type of job he's looking for at Toro:

"Bruce: It was good to hear from yo9u. I hope things are going well: I know they are going according to God's plan. I need more info in order to pursue finding an appropriate role for you here at Toro. Location? Function? Level? And so forth. Take care. Ken"

03/03/00 - *Jimmy Swaggart Ministries Newsletter* includes picture of Arthur, Hadassah, and Bruce at JSM Campmeeting. This is God's promise to Bruce of the upcoming future.

03/26/00 - The Lord gives Bruce Scripture from Matthew 18:6 to give to Annie. This was God's warning to Annie not to use Arthur and Hadassah as bait in her trap": "But whosoever shall offend one of these little ones which believeth in me, it were better for him that a millstone were hanged about his neck, and [that] he were drowned in the depth of the sea."

03/28/00 - Arthur's teacher at North Myrtle Beach Christian School (Mary Beth Rogers) contacts Bruce by e-mail asking for directions to the FMHCCI Website. Her involvement with the family turned out to be negative instead of positive as Bruce had hoped.

06/18/00 - Bruce stops his daily phone calls to the family in Loris, SC. They were no longer allowing the Spirit of God to rule in their lives. The Lord tells Bruce that since they were not willing to obey him as a father then the phone calls were of no value.

08/01/00 - Bruce receives e-mail from Arthur entitled You Fool:

"Mr. Fool, You got 24 hours to get our picture of the Early Beginnings. I never want to see your ugly face again or I'll call the cops. It would be nice for you to send for any of the kids near us. Your responsibility as a father has failed in our book. When Mom gets her divorce you better sign it. You've made a fool around the world and continue doing it. You'll never learn until it's to late which it is to late. Your going to be off limits of us. And when I grow up I'll never forget what you did to me and my mother. And i'm never going to call you again. You got money for Jimmy Swaggart but nmot for our clothes. People are already embaraased of how you treated us. We will survive. It's sad that you cant see that the devil is talking to you. When all this is over you will regret every bit of it.And that is all I have to say."

09/00/00 - Bruce's apartment manager receives phone calls from Annie. Manager doesn't go into details but comments that she would never say those type of things about her husband.

10/01/00 - Bruce's retirement savings runs out. No more weekly checks to the family.

7

10/03/00 - After the Lord's leading, Bruce files for unemployment with the Texas Workforce Commission in El Paso, Texas, and begins job search.

10/19/00 - Bruce receives "divorce packet" from Annie's lawyer which was based on the Affidavit Of Anaith Hallman (In Support Of Ex Parte Order) filed on the 26th of September 2000 (see *Annie's Divorce*).

10/26/00 - Bruce files notice of appeal to the Texas Workforce Commission in response to their "no payment" determination for filing delay. Bruce's reason for his delayed filing was based on the fact that "he was led to believe in writing, by the CEO of Toro, Mr. Ken Melrose, that he would be rehired by The Toro Company after his termination."

10/27/00 - Bruce faxes Answer to Annie's divorce Complaint.

10/29/00 - Bruce receives e-mail from Luis confirming 12/27/93 departure from Loris, SC, was planned as a "Hallman family move" and not a separation due to "unhappy differences" as Annie's divorce Complaint stated (see *Luis' email*):

"Dad, I agree with what you are saying. We were eventually supposed to reunite in Texas. I was not aware of any unhappy differences that led to the separation. My understanding was that the rest of the family was to follow once we were established in Texas. My view of the situation at hand is that Annie used and took advantage of her "freedom" to her advantage. Now that she has been alone all this time and really enjoyed it, why not keep it that way. There is no better time to take advantage of the situation than now, when you are down on your luck. What would you like me to do? I just hope that whatever happens, that the kids don't suffer. After all it isn't their fault."

11/06/00 - Bruce contacts Attorney Anita Floyd in SC concerning her ability to represent him in Annie's divorce.

11/16/00 - Bruce mails out divorce documents, contract, and \$4000 retainer fee to Attorney Floyd. Her acceptance of the retainer fee was conditional on her agreeing to and signing the enclosed contract as dictated by God Almighty.

11/21/00 - Attorney Floyd receives documents, contract, and retainer fee, but represents Bruce in court without either agreeing to the conditions of the contract or signing it.

01/04/01 - As directed by God Almighty, Bruce sends a letter to the SC Commission On Lawyer Conduct filing a formal complaint against Attorney Floyd for misrepresenting him in court.

01/16/01 - Attorney Floyd schedules hearing to be relieved as Bruce's counsel. the date of hearing is set for February 20, 2001 at 10:00 a.m. before Judge Abbott.

02/01/01 - Jimmy Swaggart Ministries magazine *The Evangelist* includes picture of Arthur, Hadassah, and Bruce at JSM Campmeeting. Once again, this is God's promise for the future.

02/01/01 - Bruce sends letter to Judge Abbott of Horry Family Court stating reason for his not signing Attorney Floyd's Order to be relieved as his counsel: Attorney Floyd was never employed by Bruce; she never agreed to or signed the contract.

06/19/01 - Annie's divorce becomes final...that is until God delivers His Promise by overturning it!

-  
-  
-

04/29/04 – Bruce pulled over and arrested by the El Paso Police while driving in his truck. Passenger witnesses at the time were John, Vanessa, and her younger son. John drives the truck to his apartment after Bruce is handcuffed and carried off to jail. (See sermonet *Jesus Was An Otlaw...And So Am I! (9/19/04)* for more details.)

05/10/04 – Bruce was loaded on a TransCorp America bus in El Paso, TX - shackled both hands and feet - for his long ride (expedited) to Horry County Detention Center (HCDC) in Conway, SC.

05/21/04 – Bruce arrives at HCDC at approximately 8:00 in the morning. Later on, after having been processed and assigned to the A-2 cell pod, Officer Douglas R. Hyman served him with

South Carolina Arrest Warrant #1199512. (See *A Christian's Divorce And Arrest!* for details.)

8

05/22/04 – Bruce appeared before the Magistrate Judge at HCDC who set his bond at \$50,000.

05/24/04 – Bruce appeared before Judge \_\_\_\_\_ of the Horry County Family Court and sentenced to six (6) months in jail for \$49,202.29 arrearages (child support and alimony) and \$1727.61 extradition cost. No credit given for good time or work credit.

05/24/04 – Bruce appeared before the Magistrate Judge at HCDC who set his bond at \$25,000. His next Family Court appearance was scheduled for 9/03/04 at 8:30 a.m.

08/03/04 – Bruce appeared before Judge \_\_\_\_\_ of the Horry County Family Court and was sentenced to an additional six (6) months in jail for contempt of court as a result of him not signing “the paper”. Because at the beginning of the trial Bruce was presented paperwork by Annie’s lawyer (Deborah Dantzler) that upon his signing would have transferred one-half of their 80-acre farm over to Annie. However, due to the fact that “God said” Annie’s divorce case was a sham, and that He didn’t want Bruce signing over the land to Annie, Bruce was found in contempt of court for not obeying the Court’s Order (see *prepared statement*). And furthermore, the Judge ordered that another trial would be set for a future date before Bruce’s release in which he would be given the opportunity to comply with the Court Order once again. And if during that Court session he continued to refuse an additional sentence of six (6) months would be added to his existing jail time. The Judge further stated that this process of adding six (6) months to Bruce’s jail time would be repeated until he agreed to do as the Court had demanded.

08/07/04 – Bruce receives note from Officer Gerald requesting that he call his “brother” at 756-9187 on the following day at 1:00 p.m. This request was in response to a phone call HCDC had received for Bruce.

08/08/04 – Bruce makes the call to 756-9817 at 1:30 p.m. and finds his son Arthur on the other end of the line. This was the first time they had spoken since Father’s Day 2000. Annie had tried to make sure this would never happen through her restraining order against Bruce on September 27, 2000. (See *A Christian's Divorce!* for details.)

08/20/04 – Bruce released from HCDC: God supernaturally opened the jail-house doors and told Bruce “Just go!” No paperwork was made available by HCDC as to reason for his release.

### **Marta's Letter #1**

[3/21/95]

Dear Dad

I'm writing to say hello, because you wrote in one of the letters saying that I do write. I don't even know where to start from. I guess from my life and my son, and my husband. Well like I wrote to Luis and Hadassah saying I have changed alot. I know you believe me because I know that you are an adult and when we have children we have to think like an adult not like a kid. One of the reasons is my son, the second because I'm a wife and have to be there with my husband when ever he has a problem just like he is with me when I have a problem too. Dad, I'm happy but at the same time I'm sad, because I miss you, Luis, and Hadassah, and I would like to be over there with you'all. I'm happy because I have my baby and my husband that loves me alot. I have them both because they are a part of me, and they bring me joy. I'm trying to built a house but I don't have any money the things over here are very costli alot. My husband works, but with the money

he earns is for the food, and to buy other important things. We must pay a rented house and that even cost more money. I did receive the money that you sent me. I'm going to save it till I get some more money so I can start building. You wrote saying that you were going to keep on send me more money by Aura Sanchez. I would like for you to keep sending me the letters or anything at the same address the you have wrote all this time, another thing is if you send me more money I would like for you to put it at his name because the banks won't change it because I'm not 18 years old. My husband can because he is older at his name. PACIFICO CAIDERON FLORES I do read your letters. I readed one of the letters that was very interesting about your friend and the egg. like you said you can't make anyone do something they don't want to do. Remember when you and Annie usto to make us do things that we didn't want. When you said that you smashed the egg on his head you felt that you had lost a friend. Just imagine how my brothers and sisters felt when we didn't want to. I know that you have changed and gave your heart and soul to Jesus. I understand when Annie told you to spank us or to do something else to us I know you would do it with a pain in your heart. Remember when you wrote a letter asking me to pray for her. I did. I'm glad that you found out what kind of person she is behind everyone back. I forgive her for all the bad things that she did and does behind my back. I know that she hasn't changed because she loves to lie, - "thats a sin." All the lies that tells the girls about me and all the lies that she tells my mom about the girls. I don't see why she even has to talk about me because I'm living my life the best I can, and honest. "that's important" I would like like to see her and ask her what does she win when she lies. It must be a trophy. When she came a few years past when I was going out with my boyfriend witch is my husband. She came and told him alot of lies. and told him to leave me because of what had happened to me when I was little girl. I still remember when she usto Luis & Felix to pick on me about that. I know that if that would have happened to her she wouldn't like that. that's very painful. and it's not very nice. I readed the little book. "The Long Trip" It's very interesting and truth what the little book say's about John, that is truth because the whole world is lost in the Devil's road to destruction Sometimes over the hill one another in front of everyone that really scares me because I have my son. I don't him to grow up seeing them bad things I pray to Jesus to help go the right way. I love him alot and I don't want him to go hell. Well lets talk a little about the girls, they are behaving good. They told me that they want to go back to the USA but to Texas with you not with Annie because they told that she would slap them, tell them cuss word, etc. Would you do that favor for them so they can finish their school, if you can't take them back what you can do is put them in school over here in the Americans school base. It's like if they where over there. All you have to do is call them and talk to them about the girls and that you were in the Air Force. because mom doesn't have money to pay a private, nore a public and you could pay please do that for the girls they have a years of 10

school I don't know why Annie didn't them finish the years the were in, and then bring them to Panama. I know Annie doesn't what to know anymore about us and other kids. I don't know about you. She came to Panama and she didn't even ask about the girls she that she doesn't what to know about me because she didn't tell me to get pregant. My son is first. She thinks that I want her talk then my son no way. Write me and lett know about what you think about the girls. I'm not going to write any more because my hand hurts and you said nomore then 4 pages.

I Love You, Martha

P.S. write

June 1, 1995

Dear Dad,

How are you doing. I hope fine. I'm no doing so fine. because I'm so sad because my marriage is breaking up. My husband and I have separated because he wan't to do what he wan'ts and that can't be that way because he wan't to be going out with other woman's. I love him alot and I think

I'm not going to be able to get use too without him. I have talked to him and I guess he wan'ts to do with his life what he wan'ts. I want to go over there to get away from all this and him. I would like to go over there and finish my school and so that my little son can have a better oppottunity of life. I hope you can do want I'm asking you because you always send in almost all the letters asking me if I want to go over there and now I'm sending you an answer (yes) Know changeing Annie did come to panama and didn't even do anything good. Annie brought the girls over I don't know why. She what to be up and down the street with the girls On day she takes the girls to the nuns and the girls come to moms house. Sometimes I stopp and think the girls were fine over there they could of finish there school and be somebody in this life. They can't even go to school over here because they don't have their papers. Annie doesn't even give mom any meney to buy food for the girls. It's not that moms doesn't want to work it's that she's sick with a pain on her back and the doctor told not to work because you have to do heavy work. I would like for you to take the girls over too. they can't be living the way we are living its not fair that they have to live this way. Where theres not light "no bathroom" to be able to go use the bathroom you have to go to my aunthouse and to be able to have water you have to carry it from far away and the girls are not use to it. They told me that they want to go back to the USA te finish their school. Annie has not gotten the girls passport because the girls to me that she doesn't want the girls to go back over there anymere and that you had sad that you didn't them over there too? She said over here that you didn't have to see what happens to the girls and that you didn't want to know about them. I couldn't believe it when she told us that. I said to myself. this is another trick from satan that gueding her I know that dad couldn't of said that. When she came to over one day in hotel that she was talking to you about that she need some money and I didn't know if you told her yes & no that when she hang up the phone she said, That stupid man makes me sick. Also she has always rented a car when she comes over and never takes the girls anyware. She gives it to her sister so she can use it to go to work and go anywhere. Annie doesn't even use it. It's not Aura. Annie said that she didn't want to go back to USA because she likes to live this kind of life. I feel sorry for her. She also said that she wasn't going to eat bible with you. What she needs is that we pray for her. Dad I did offer my baby to Annie just to see what she would say. I'm not crazy yet to give my only baby that I love so much that that demon. and I'm not crazy like to give my baby so he can live the life that I live with her when I was over there. Will that all the truth about what going on over here. It's the simple truth. Now I don't want you to think that I'm tell you all this to get points with you. "No" it's the simple truth and you can anybody like the girl sake better then them
